

CREATE A PRAISE TREE

March 8, 2020

On Easter we sing, shout, and exclaim our praises to the Lord. On this Sunday, this “Little Easter,” take some time to offer your praise and thanks to God.

Read Genesis 12:1-4. Talk with your family about the ways God has blessed and continues to bless each one of you. Then follow these [instructions](#) to create a Praise Tree, and tie onto it the blessings you have named. Pray Psalm 117 together as your closing words of praise.

Place the Praise Tree somewhere everyone in your family will see it. Let this tree become a reminder to pause each Sunday (and any other time) during Lent to offer God thanks and praise for all your blessings.
