

## PUZZLING EASTER DATES

March 24, 2020

Christmas is always December 25. And Thanksgiving (in the U.S.) is always the fourth Thursday in November. So what's up with Easter? Last year it was on April 21. This year it's April 12, and next year it will be on April 4. Why?

[Discover](#) how the sun determines the date for Easter, the day on which we celebrate the resurrection of Jesus, who came to light the way to God.
