

MAKE CARDS OF CARE

March 26, 2020

What cheers you up when you are lonely? What encourages you when you are feeling down? Create cards with pictures, words, and scripture verses that might make someone smile.

Plan to deliver your cards on Saturday, March 28th, to people who are homebound or living in a nursing care residence. (You will find more ideas about this when you open the March 28th date on this calendar.)

PRAY for people who are lonely.
