

Maundy Thursday commemorates the Last Supper that Jesus shared with his disciples. During the meal Jesus uses bread and wine to represent his body and blood that soon will be given for all people. And he charges them—and us—to take part in this meal as a way to remember him.

To help you and your family remember what Jesus did for us, listen prayerfully to the song “[Remembrance](#).” Discuss: What [words](#) or images in the video stand out to you? What does it mean to you that all people are invited to Christ’s table? How does remembering this meal lead you into worship and communion with Christ? In what ways might you respond to his invitation?

GO DEEPER: If a church in your area is streaming a Maundy Thursday service, encourage your family to gather for this virtual worship experience. Or light a candle, read the story of the Last Supper (Luke 22:1-27), and pray that each of you might learn to serve others as Jesus did.
